June 20, 2006

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**PRISONER TRANSPORTATION AND RELEASE SERVICE AGREEMENT
BETWEEN THE COUNTY OF LOS ANGELES
AND THE CITY OF LOS ANGELES
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Mayor, County of Los Angeles, to sign the prisoner transportation and release service agreement with the City of Los Angeles (City), which will be effective upon the Board's execution through June 30, 2009, and authorize the Sheriff to exercise the option of executing two (2) five (5) year renewals.
2. Delegate authority to the Sheriff to execute any subsequent amendments to the agreement that do not increase the net County cost of providing the service.
3. Authorize, under the provisions of County Code §6.06.020, ordinance position authority, for the additional positions of five (5) deputy sheriff generalists for Fiscal Year 2005-06.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this agreement is for the Los Angeles County Sheriff's Department (Department) to be compensated for the cost of transporting prisoners of the Los Angeles Police Department from their detention facilities to the appropriate arraignment courts. The agreement also recovers the cost of the subsequent "in-court" release of those prisoners that are not arraigned.

A Tradition of Service

A feasibility study conducted by both Departments indicates that a savings in personnel resources and other expenses will continue to be realized should all such transportation services be performed by the Department within the terms of the agreement. With the current agreement being in effect since 1970, it became necessary to make amendments to reflect current staffing needs, costs, policies, procedures, and locations.

Five (5) additional deputies are needed to run the "in-court" release program. These deputies are funded entirely by revenue offset. This program currently draws upon the existing resources of the Sheriff's Court Services Division, specifically personnel assigned to service the Trial Court Funding contract.

Implementation of Strategic Plan Goals

This agreement conforms with Los Angeles County's Strategic Plan Goal 2, Workforce Excellence, by improving the work place environment and performance of the employee. This agreement allows for the necessary personnel to accomplish the task of transporting and releasing prisoners efficiently and safely. The agreement also conforms to Goal 3, Organizational Effectiveness, by operating the buses closer to full capacity. This agreement also relates to Strategic Goal 4, Fiscal Responsibility. The agreement builds on an existing 30-year contract with the City for prisoner transportation services and "in-court" releases. The City will fully reimburse the Department for all costs incurred. The cost of transporting County prisoners will be partially offset by the revenue collected from the City.

FISCAL IMPACT/FINANCING

None. Under the terms of the agreement, the City shall pay the Department for the services at the prevailing hourly personnel rates and mileage rates determined annually by the Auditor-Controller pursuant to the policies adopted by your Board. The City will pay for the time and resources spent transporting their prisoners to court, releasing prisoners who are not arraigned, and for the mileage of the current bus routes.

Fiscal Year 2005-06 aggregate revenue estimates for the contract is \$2,226,000. These revenues will be collected from the City in the form of payments that are equivalent to one-quarter (1/4) of the annual contract cost.

FACTS AND PROVISIONS

The City desires to continue prisoner transportation and release services from the Department. The initial term of the agreement is three (3) years. The contract has a renewal option and, with approval by the Sheriff and the City, the contract may be extended for two (2) additional five (5) year terms.

The billing rates are subject to change on July 1st of each year pursuant to any cost adjustments determined by the Auditor-Controller.

The agreements have been approved as to form by County Counsel.

The attached contract analysis is in accordance with the Board of Supervisors' policy and has been approved by the Auditor-Controller and the Chief Administrative Office.

IMPACT ON CURRENT SERVICES

The Department has been performing this service for over 30 years and has not identified any substantial impact on the Department's ability to timely transport County prisoners to the same courts. Both the County and the City benefit from this agreement. The transportation buses will be used more efficiently by operating closer to capacity and the cost of transporting County prisoners will be partially offset by the revenue collected from the City. Additionally, the City will be able to forego investing in special vehicles and additional personnel in order to transport their prisoners to court. The revenue collected for the services of the "in-court" release program will exceed the amount the Department budgets for these items. The additional five (5) deputy personnel will relieve any obligation of the Trial Court Funding deputies to perform this service.

This agreement will not affect the Department's services being provided in the County's unincorporated areas. The services in question do not draw from any of the Department's resources being used to service unincorporated areas. Instead, the contract will only consume a portion of the Department's resources that are currently being used to transport County prisoners to court.

CONCLUSION

Upon approval by your Board, please provide two (2) certified copies of the Board-adopted letter, and four (4) signed agreements, to the Sheriff's Department's Contract Law Enforcement Bureau, Captain Edward Rogner.

Sincerely,

A handwritten signature in black ink, appearing to read "Leroy D. Baca". The signature is fluid and cursive, with the first name "Leroy" being more prominent.

The provisions of this paragraph survive expiration or termination of this Contract.

PSC-18. Insurance.

A. General Conditions

During the term of this Contract and without limiting **CONTRACTOR'S/CONSULTANT'S** indemnification of the **CITY**, **CONTRACTOR/CONSULTANT** shall provide and maintain at its own expense a program of insurance having the coverages and limits customarily carried and actually arranged by **CONTRACTOR/CONSULTANT** but not less than the amounts and types listed on the Insurance Requirements Sheet (Form Gen 146/IR in Exhibit 1 hereto, covering its operations hereunder. B. Modification of Coverage

CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving **CONTRACTOR/CONSULTANT** ninety (90) days advance written notice of such change. If such change should result in substantial additional cost to the **CONTRACTOR/CONSULTANT**, **CITY** agrees to negotiate additional compensation proportional to the increased benefit to **CITY**.

C. Failure to Procure Insurance

All required insurance must be submitted and approved by the City Attorney prior to the inception of any operations or tenancy by **CONTRACTOR/CONSULTANT**. The required coverages and limits are subject to availability on the open market at reasonable cost as determined by **CITY**. Non-availability or non-affordability must be documented by a letter from **CONTRACTOR'S/CONSULTANT'S** insurance broker or agent indicating a good faith effort to place the required insurance and showing as a minimum the names of the insurance carriers and the declinations or quotations received from each.

Transportation and Transfer of Prisoners - The Auditor-Controller's Office evaluated the LAPD Transportation Loop and the cost associated with providing the service annually. The number of personnel involved, the miles driven, maintenance, fuel, and the appropriate overhead costs were compiled and a total fiscal year annual rate was calculated for this service. The rate for fiscal year 2005-06, which includes 3% liability insurance, is \$1,718,219.

Release Program - Because of the large numbers of LAPD (Police) prisoners released from arraignment court by LASD (Sheriff) personnel, the Auditor-Controller's Office also evaluated the time associated with performing this task and established an annual rate. The rate for fiscal year 2005-06, which includes 3% liability insurance, is \$507,823.
